 - Google VR in Unreal
- Udacity VR Developer Nanodegree

A man with dark hair, wearing a blue t-shirt with a white graphic, is standing and using a VR headset. He is holding a VR controller in his right hand. To his left is a laptop on a stand. The background is a large window with a view of a city skyline. The scene is dimly lit, with the primary light source coming from the window.

我现在还记得第一次体验虚拟现实（VR）时的情景
The first time I experienced virtual reality, I remember this very well.
